(TAMA DOBUTSUKOEN)

TAMA ZOOLOGICAL PARK

Tama Zoo is a lovely place to visit. Animals are in natural surroundings located throughout the zoo. There are many trails and paths marked numerically to lead you to all the attractions. A particular highlight is a ride on a glass-sided bus through the lion field. You may bring your lunch with you or buy it at the food stand. The picnic area allows you to enjoy the feeling of the open air.
