CLASSROOM GUIDELINES

- Please do not bring visitors, dependents or other non-paying personnel to class. It is against our contractual agreement with concessionaire instructors and can be a safety concern.
- Please be prompt to all sessions.
- Do not bring food to the class unless for a prearranged event.
- Wear clothing fit for the class. If, for example, you enroll in a ceramics, painting, woodworking or photography class, there is a good chance you will get dirty! Kids will get dirty! Make sure they wear "play" clothes.
- Wear proper shoes for the class. Open-toed shoes are not permitted in the frame, wood or automotive shops.
- Leave jewelry at home if class will require you to remove it. Pottery and woodworking are two areas you need to remove jewelry, and Arts & Crafts will not be responsible for missing or lost jewelry.
