- c. The Contractor must assert its right to an adjustment under this clause within 30 days from the date of receipt of the written order; however, if the Contracting Officer decides that the

As an alternative to offering a prompt payment discount in conjunction with the offer, offerors awarded contracts may include prompt payment discounts on individual invoices.
- b. In connection with any discount offered for prompt payment, time shall be computed from the date of the invoice. If the Contractor has not placed a date on the invoice, the due date shall be calculated from the date the designated billing office receives a proper invoice, provided the agency annotates such invoice with the date of receipt at the time of receipt. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or, for an electronic funds transfer, the specified payment date. When the discount date falls on a Saturday, Sunday, or legal holiday when Federal NAFI offices are closed and NAFI business is not expected to be conducted, payment may be made on the following business day.

27. NOTIFICATION OF DEBARMENT/SUSPENSION STATUS

The Contractor shall provide immediate notice to the Contracting Officer in the event of being suspended, debarred or declared ineligible by any other Federal Department or agency, or upon receipt of a notice of proposed debarment from another DoD Agency, during the performance of this contract.

28. NON WAIVER OF DEFAULTS

Any failure by the NAFI at any time to enforce or require strict performance of any terms or conditions shall not constitute waiver thereof, and shall not affect or impair such terms or

conditions in any way or the NAFI's right at any time to avail itself of such remedies as it may have for any breach or breaches of such terms or conditions.

29. TRAVEL CLAUSE

Contractors and/or their duly appointed representative will make their own travel arrangements, purchase their own tickets, and submit requests for reimbursement to the issuing office found in Block 12 of the award. Travel costs will be paid by the contracting NAFI, up to the maximum amount authorized in the federal travel regulations. The Contractor shall submit original receipts of airline tickets, lodging, car rental and other expenses exceeding \$75.00. Contractor personnel must acquire airline travel by the most economical methods, to include obtaining coach fares, buy advance purchase tickets (when possible), and plan minimal travel time necessary to accomplish the task. The Contractor is liable for costs associated with unused or changed airline tickets, where non-use is not caused by the NAFI. Documents are required to support payment of travel costs. The Contracting Officer and or their duly appointed representative will approve, in advance, any changes in the itinerary. Contractors must obtain approval before submitting other than lowest airfare travel reimbursement requests from the invoicing office. Local travel for which mileage is claimed; to include travel to and from the airport when air travel is involved must be indicated on the itinerary on form 1351-2 or other approved form.
