INSTRUCTIONS TO DESIGNATED DEPENDENT OR REPRESENTATIVE FOR USE OF DD FORM 1337 (AUTHORIZATION/DESIGNATION FOR EMERGENCY PAY AND ALLOWANCES)

1. The Authorization/Designation For Emergency Pay and Allowances is a means of providing funds direct to you in the event of an emergency evacuation. It is an important document and should be kept at all times with your passport and other important papers.
2. To obtain payment of any of the evacuation allowances on this DD Form 1337, present it, together with proper identification, to any military disbursing officer, either overseas or in the United States.
3. Payment of the amount of base pay (if any) authorized in DD Form 1337 as an advance of pay, may be obtained in installments (normally not more than two) or in one lump sum, as you request. The total amount of this base pay cannot exceed the amount designated by your sponsoring member. The advance of pay is not a gratuity and will be deducted in full from the sponsoring member's pay unless the Secretary of the Service concerned waives recovery of up to one month's portion when the recovery of the full amount would work a hardship, would be against equity and good conscience, or against the public interest. If the sponsor wishes to request a waiver of recovery of one month's basic pay he should consult his commanding officer. If the sponsor does not wish to authorize an advance of basic pay he will insert "NONE" in the space provided for the amount - "\$ _____".
4. If you have been receiving a military allotment of pay, and your evacuation is temporary to a safe haven location, your allotment checks will be forwarded to you at the safe haven area. If you have been evacuated to a designated place, as specified by your sponsor, at a location in the United States (including Alaska and Hawaii) or a territory or possession of the United States, it is YOUR RESPONSIBILITY to forward your new address immediately to the office which issues your allotment checks.
5. If DD Form 1337 is lost prior to evacuation, you or your sponsor must report the loss, theft or destruction immediately to the commander or personnel officer, and a new DD Form 1337 will be issued to you.
6. If you lose the DD Form 1337 during evacuation, report the loss, theft or destruction to the military disbursing officer from whom you request payment. Be prepared to state the circumstances of the loss, the amount of advance pay authorized in the DD Form 1337 and the amount of any previous payments you have received of each type.

PRIVACY ACT STATEMENT

AUTHORITY: 37 USC 406, 5 USC 5726; and E.O. 9397.

PRINCIPAL PURPOSE(S): Primarily used for evaluating requests submitted by Service members and eligible individuals for shipment and/or storage of personal property. Also used to prepare the Government bill of lading and other shipping documents (as applicable) to move the personal property. Used by the Finance Office for collection from the member in case goods to be shipped exceed Government entitlement limits.

ROUTINE USE(S): DD Form 1299 is provided to commercial carriers and shipping agents as the official shipping and storage order.

DISCLOSURE: Voluntary; however, failure to provide the requested information may delay shipping dates and impede storage arrangements.

CERTIFICATION OF SHIPMENT RESPONSIBILITIES

In consideration of said household goods or mobile homes being shipped at Government expense, I hereby agree that:

1. This shipment/storage lot consists of my property or the property awarded to my ex-spouse incident to a divorce which was acquired by me prior to the effective date of my orders.
2. If my orders are modified or cancelled and affect this shipment, I will immediately notify the shipping office at point of origin (or port, if any) and destination.
3. I will remit the proper amount or consent to the collection from my pay as may be necessary to cover all excess costs occasioned by this shipment.

4. I agree, prior to shipment and at my expense to place my mobile home in condition to withstand transportation.
5. I understand that transportation of my mobile home and shipment of baggage and household goods within the United States are provided in Chapter 10, JTR.
6. I understand the Government will not be responsible for goods remaining in storage after the expiration of the authorized period.
7. Professional books, papers and equipment are or were necessary in the performance of official duties.

CONDITION FOR STORAGE

In consideration of said household goods being stored at Government expense, I hereby agree as follows:

1. I will notify the transportation office responsible for storing my nontemporary storage account of any changes in my storage entitlement.
2. The Government is authorized to enter into any agreement and to do all acts and things which may be convenient or necessary to store the household goods. Storage of the household goods is furnished subject to such applicable laws and regulations as are now or may hereafter be in effect.
3. The Government may store the household goods in Government facilities or in commercial storage under a Government contract.
4. The Government may move or transfer by any appropriate means the household goods from their present location to Government or commercial storage facilities and from such facilities to an appropriate destination upon termination of storage.
5. When the household goods are stored in Government facilities and the authorized period for storage at Government expense expires, the Government may require me to remove the household goods from their place of storage. In the event, after 30 days notice, I fail to remove the

household goods, or if, after diligent effort, notice to me cannot be effected, the Government may proceed as follows: (a) place and store the household goods in commercial storage at my expense, or (b) if a commercial warehouse will not accept the household goods for commercial storage at my expense, the Government is hereby authorized to take whatever action in accordance with law and regulation may be deemed appropriate to effect disposition of the household goods.

6. When the household goods are stored in commercial facilities and the authorized period of storage at Government expense expires, all storage and incidental charges accruing after the last day of the authorized period of storage shall be at my expense.
7. The Government shall not be liable for charges incident to storage or services in connection with the household goods (1) not authorized by law or regulation to be at Government expense, (2) in excess of weight limitations imposed by law or regulation, or (3) after the expiration of the period of which storage at Government expense is authorized.
8. Government contracts for the storage of household goods limit the liability of the warehouseperson to \$50 per article or package as listed on the warehouse receipt. Applicants are advised to consider obtaining insurance on their household goods while such goods are in storage.

FAMILY CARE CERTIFICATION

PRIVACY ACT STATEMENT

AUTHORITY: 10 U.S.C., Section 8013, Secretary of the Air Force; as implemented by Air Force Instruction 36-2908, Family Care Plans, and Executive Order 9397 (SSN), as amended.

PURPOSE: Provides information to unit commanders/supervisors for required actions related to personnel administration and counseling, assignment, off duty activities, and deployment management.

ROUTINE USES: May specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3). DoD 'Blanket Routine Uses' apply.

DISCLOSURE: VOLUNTARY: Failure to provide requested information may result in disciplinary action and/or administrative separation from the States Air Force.

SORN(s): F036 AF PC C, Military Personnel Records System

SECTION I. MEMBER'S CERTIFICATION

1. I have been counseled and fully understand Air Force policy on family care responsibilities. I have read AFI 36-2908, *Family Care Plans*, and understand that I must arrange for care of family members, remain available for deployment and training, and report for duty as required without interference of responsibility for family members. I assume responsibility for all obligations for such things as child care, food, adequate housing, transportation, and emergency needs of my family members regardless of age.
2. I affirm that I have made and will maintain arrangements for the care of my family to permit me to be worldwide available during all of the following circumstances:

A. Duty hours	D. Alerts	
B. Exercises	E. Temporary Duty	G. PCS or PCA
C. Unaccompanied Tours	F. Extended Duty Hours	H. Similar Military Obligations
3. I understand that I may be subject to a short notice deployment and that I will not be guaranteed special privileges because I have family members. I understand that if arrangements for the care of family members fail, I must still report for duty.
4. I understand failure to make and maintain adequate family care arrangements may be grounds for disciplinary action and separation from Regular Air Force, Air Force Reserve or Air National Guard components.
5. I understand I must complete, revise, or recertify my family care plan upon arrival at a new unit, before reenlisting or extending enlistment, on notification of assignment, when personal status or family circumstances change, or during the annual recertification/briefing.
6. I have made all necessary arrangements (legal, educational, monetary, religious, etc.) for a smooth, rapid turnover of family care responsibilities.
7. I have arranged to complete travel that may be required to transfer my family members to the designated person. If my primary long-term family caregiver is not in the local area, I understand I must arrange with a nonmilitary person in the local area to assume temporary custody of my family members until responsibility is transferred to my primary long-term caregiver.
8. I understand that while serving in an overseas area, I must arrange for escort and care of my family members if a Noncombatant Evacuation Operation (NEO) is implemented. I know I will be required to remain in place and perform my military duties.
9. I understand I may be subject to action under the Uniform Code of Military Justice (UCMJ) and/or appropriate Reserve component discharge authorities if this statement is not accurate.

This is to certify that the above described animal has been examined by me on the date below and was found to be free of any apparent communicable disease. This animal appears healthy for transport, but needs to be maintained at a temperature within its thermal neutral zone. It is recommended that the ambient temperature of this animal's environment be maintained within the specifications of USDA Regulation 9 CFR. 3.18. To the best of my knowledge this animal has not been exposed to rabies and did not originate from a rabies quarantine area.
