To Hamarikyu, the Boats depart from Hinode Pier
do NOT stop.

All information is subject to change without notice and may not be drawn to scale. All schedules and prices are approximate and subject to change, and are according to those which take the normal connection. In some cases you may reach your destination faster by other means. The "Yurikamome" Line does not operate with the route map shown on this page. Use the "Yurikamome" Line schedule for the correct route. The fare shown is for a single ride.

There is a 5% sales tax on all fares except for children's or group tickets.

On weekends and holidays, a special rate is applied to each route.

In the event of a train break down, there may be a delay in the schedule.

For the latest information about the train schedule at each station, please follow the applicable rules. For details on fares, see thefarechart in the "Fare Information" section.
