Welcome,

Your Youth Sports Program plays an important part in the lives of your children at Yokota Air Base. The objectives for the program are for the participants to learn about themselves, learn about the sport they have chosen to play, and to have fun in a safe environment. The leagues are recreational and instructional in nature for participants, coaches, officials, and parents.

It is important that parents support their children in a positive way. Many of the volunteers may be new to coaching and/or officiating. They are here to provide a positive and rewarding experience for the players. Positive parent involvement is highly encouraged and key to a successful program.

If you have questions or concerns, or if you would like to sign up to volunteer, feel free to call the Youth Sports Office at 225-7441 or visit the Services Web site at yokotafss.com.

PROGRAM INFORMATION

In order for the program to be fun, safe, and effective, there are several items parents and volunteers must know. Our Youth Sports Program cannot be successful without the help of our parents and volunteers.

VOLUNTEERS

- a. Coaches – Each program requires approximately 40+ coaches and assistant coaches. Background clearances are completed on every

coach for the protection of the youth participating in our programs. At a minimum all head coaches are required to be certified by the National Youth Sports Coaches Association (NYSCA), and have First Aid/CPR training. Youth program offers these courses to meet the necessary requirements if it can't be accomplished at unit level.

- b. Officials – Our officials are contracted through a private organization however, officials are always needed. They are a very important aspect of our program. If you would like to learn to officiate any of the sports that we offer, please contact the Sports Director.
- c. Team Parent – This volunteer is very important to the team. Their job is to assist the coach in managing the team. Their responsibilities include, overall coordination during the season with team pictures, snacks schedules, team awards and end of season party.
- d. Scorekeepers – Parents may be asked to keep score, run the clock, or assist officials. The home team will supply a scorekeeper and someone to run the clock if required.
- e. League Commissioners – Our program welcomes volunteer commissioners for every sport. They assist the Youth Sports director in league organization, administration and disciplinary rulings. They are responsible for the overall coordination of the sport in progress. They ensure league by-laws are age appropriate, assist with publicity, team assignments, and fund-raisers. Assists in planning and organizing player, coach, or official sport camp, clinic, or workshop. Informs officials, coaches, and team parents of their duties. Ensures proper preparations are made to fields or facilities prior to the start of the sport season and prior to each game. Assists with the player draft and game scheduling. Resolves problems between coaches, parents, and youth with the assistance of the Youth Sports Director. Assists in the planning and coordinating the sport opening and closing ceremonies. Ensures all volunteers are recognized. Assists Youth Sports Director in evaluating and critiquing the current season and in determining the needs of the sports for the next season.

REGISTRATION

All players must be 5 years old prior to the first game-no exceptions. All registrations must be turned in during the registration period. A late fee will be assessed for all late registrations. Placement will be first come first served until all teams are full. Exception: New PCS arrivals (we will make every attempt to place new arrivals)

Age divisions are as follows: 5-6, 7-8, 9-10, 9-11, 11-12, 12-15, and 13-15 (5-6 and 7-8 are coed)

REFUND POLICY

No refunds will be issued after the first game. NO EXCEPTIONS.

PHYSICALS and Shot Records ARE MANDATORY!

Per AFI34-144

11.28.6: Youth are not permitted to participate in league sports unless they have had a sports physical within the previous 12 months; exams must remain current throughout the season. Must be good throughout the entire season which is from the first practice to the last game.

11.5.3: In accordance with SF Instruction 48-110 IP, Immunization and Chemoprophylaxis for the Prevention of Infectious Diseases, all children and youth enrolled in CYP are required to follow Center for Disease Control and Prevention (CDC)/Advisory Committee on Immunization Practices (ACIP) recommended age-appropriate vaccinations and immunizations. These individuals may not attend CYP without an approved medical/religious exemption from AF/A1S on file.

PROOF OF AGE

Military ID's or passports may be used for age verification. You may be asked to provide birth certificates to resolve age discrepancies.

SAFETY ISSUES

All safety equipment required for a specific sport must be used. Safety equipment will be worn at all practices and games. Children with injuries must be cleared by a physician prior to resuming play. A copy of this release will be provided to the Sports staff.

SKILL EVALUATIONS

This is key to placing participants onto our teams as fairly as possible. Skill evaluations will be conducted for all divisions 9 and up. Each participant must attend the skills evaluation for their age group or will be placed according to the Youth Sports Directions discretion. Failure to attend will result in all special request to be voided. Coaches conduct a series of drills to evaluate and rate the skill of each player. Ratings are used for team selection in an effort to balance the teams and provide parity in the league.

TEAM SELECTION

Coaches select numbers to determine their order of selection. The "Z" method will be used for selection, example: 1,2,3; 3,2,1. After all players are placed on a team

coaches will draw a team number. Coaches' will then trade for their children and siblings.

EQUIPMENT

The Youth Sports office provides equipment for teams with the exception of personal protective gear. The Head Coach signs out equipment using the AF IMT 1297. Head coaches are responsible for the return of all equipment at the end of the sport season. We prefer all team equipment is returned together. We ask that all equipment is returned no later than two weeks following the last game. Jerseys and hats will be provided by Youth sports with the effort to provide other articles but not guaranteed.

MUST PLAY RULE

All youth sports played at Yokota AB have a required must play rule. Every coach must make an attempt to equal playing time for all participants.

PLAYING UP

It is our policy as well as the National Standard that no child plays outside their age division. The only exception is with the permission of the parent, the Youth Sports Director, and the coach, a gifted youth may be able to play up **ONLY** one age level.

FIELD/FACILITY MAINTAINANCE

All teams are responsible to clean up after themselves and drag or rake ball fields after each practice.

PARENT MEETINGS

Parents are required to attend an annual parent meeting. Guidelines for the upcoming sport will be discussed i.e., parent/player behavior, rules and regulations and other issues. It is highly encouraged that you attend meetings prior to every sport your child participates in. If you cannot make the scheduled meeting, please make arrangements for a one-on-one briefing.

SOME HELPFUL INFORMATION

- a) Parents please avoid coaching your children during a game. Children will often listen to their parent's first and disrupt what the coach is trying to accomplish. We encourage support during the game, but please allow the coaches to do their job.
- b) We encourage verbal support during our games but please remember:

- Yell for the children, not at them.
- Never taunt the opponent.
- Don't verbally attack officials, coaches or staff.

It's important that each parent support their child by instilling a spirit of fun, strength of character, a sense of responsibility, and healthy sense of competition. To each player and parent, the youth center staff wishes you an enjoyable and successful season. Remember, the game is for the children.

CODE OF ETHICS

Because we enforce guidelines from the National Alliance for Youth Sports, parents and coaches are required to sign and understand the appropriate Code of Ethics forms. These codes are available for review during registration as well as in this manual.

If you have a reason to believe that something inappropriate is happening to a child by a parent, volunteer, or staff member, your first responsibility is to ensure the safety of the child. Violations of the child guidance policy or other incidents of suspected abuse must be reported to the immediate supervisor or someone in the chain of command. TOUCH POLICY

Experienced child development specialists know the importance of physical contact for child development. Appropriate expressions of affection such as hugs, holding hands, and pats on the back build children's self-esteem. To avoid any question of your behavior, be aware that appropriate touch takes into account respect for personal privacy and personal space of others. Appropriate touch is a mutual agreement. Because boundaries for appropriate and inappropriate touch have often been unconscious and undefined, those who work with children need to discuss tough issues openly to reassure themselves and others of correct understanding. Some examples of inappropriate touching are spanking, slapping, pinching, grabbing, fondling, and molestation. The sexual abuse of children is an extreme form of inappropriate touch and will not be tolerated. Those who work with children should take into account the fears of parents; therefore, the guidelines for appropriate touch must be followed.

COACH SELECTION

Returning coaches who are certified, trained, and in good standing are chosen first, however, must complete a volunteer coach's registration form. Returning coaches must have demonstrated a strong ability to work satisfactorily with children. New coaches are usually asked to become an assistant coach the first season. If not enough head coaches are available, the Youth Sports Director will informally interview those who signed up to coach and determine the best candidate. Coaching positions are strictly voluntary.

LOSS OF COACHES:

Coaches who can no longer participate due to PCS, TDY, illness, etc. or who were revoked for cause will in most cases be replaced by the assistant coach. Should circumstances arise where the assistant coach cannot assume those duties, the Youth Sports Director will be contacted to resolve the issue. All coaching changes require review by and approval from Youth Sports Director.

YOUTH SPORTS OFFICIALS:

Positions are contracted through Local Officials Associations. From time to time coaches or parents will be asked to officiate games due to lack of paid officials, especially for the younger age groups.

COACHES EVALUATIONS:

All coaches are required to receive an annual evaluation. We attempt to do these at the end of the season or when we deem feedback necessary. Feedbacks will be kept in coaches' file.

GAME/PRACTICE CANCELLATIONS AND/OR RESCHEDULES:

1. Any decision to cancel a game due to field conditions or weather will be made by the Youth Sports Director no later than one hour prior to a game (when possible). Notification will be made as soon as possible based on existing weather conditions or weather forecast. It will be the Youth Sports Director's responsibility to notify officials and Head Coaches to ensure the maximum amount of notification time is provided. Head Coaches are responsible for notifying their assistant coaches, team parents and players.
2. Games and practices will be conducted in the rain as long as field conditions remain safe. Coaches will be responsible for canceling practices. If a game is postponed due to weather, darkness or road conditions (i.e., snow, ice, sleet) the Youth Sports Director will attempt to reschedule.
3. Head officials may delay the start of a game, stop play, or call a game once started.
4. Extreme heat cancellation will be determined by the Youth Sports Director and/or game officials based on temperature, humidity, and specific playing activities. If it is black-flag, practices are cancelled without approval.
5. All games and practices will be suspended immediately if lighting is within five nautical miles and will not continue until lighting is outside of five nm radius of the base. For current weather information call 225-7213.
6. If a head Coach needs to cancel a game, they must notify the Youth Sports Director 48 hours prior to the game start time. Failure to report the need to reschedule a game may result in team forfeiture. Normally only emergency situations are acceptable reasons for not complying with the 48 hour time limitation. The Youth Sports Director will determine if the emergency is valid.

PROTESTED GAMES:

The Youth Sports Program is based on sportsmanship and must be operated as such. Competition must never overrule sportsmanship. To operate and teach the principals of the game properly, protests may arise. The protesting Head Coach must file a letter of protest with the Youth Sports Director within 24 hours of the end of the protested game. After conferring with the appropriate coaches and umpires/referees involved, the Youth Sports Director and/or Youth Center Director will make a final determination on protests.

YOUTH SPORTS COMMITTEE

This committee is made up of the Youth Sports Director, the Sport Commissioners of each sport, individuals known for their expertise in youth sport and youth participants. The committee will function for the good of the entire sports program. Attendance at committee meetings is essential for a growing, exemplary program. The Youth Sports Director, in conjunction with the Sports Commissioners, develop meeting agendas. The Youth Sports Director or elected chairperson will chair the meeting unless committee members agree to other procedures. Committee members should not allow coaches' or parents' desires or opinions to change or impact the non-competitive, instructional philosophies of the youth sports program. This committee will only be formed if necessary.

EMERGENCY CONTINGENCY PLAN

Please follow these steps if you experience an emergency/injury during a youth sporting event.

- 1) Administer first aid/CPR as needed.
- 2) Do not move the child if they have a neck, back or head injury.
- 3) Call 911 if necessary
